***Claim Rejections - 35 USC § 112***

1. Claims 1-8 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 1, the phrase “the inner plastic container” on line 8 lacks proper antecedent basis. Applicant needs to clarify whether the inner plastic container is the same structure as the thin-walled rigid inner receptacle on line 3. If the inner plastic container is the same structure as the rigid inner receptacle, then applicant should amend the claim to avoid confusion. If they are not the same structure, applicant is required to provide support in the specification for the inner plastic container. Appropriate correction is required.

***Allowable Subject Matter***

2. Claims 1-8 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

***Conclusion***

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37

Art Unit: 3728
